

**University of California**

**Matrix of University of California Campus Policies and Procedures Concerning the Evaluation of Applicants from California Community Colleges<sup>1</sup>**

*(Continued on reverse)*

UC Campus	What is the definition of CCC student for admissions purposes <sup>2</sup>	What is the admissions priority for CCC applicants relative to other transfer applicants?	Does the campus use CCC Fall grades for admissions consideration? <sup>3</sup>	What is the date applicants will be notified of their admissions status for the Fall 2004 term? (Note:	When must admitted students send official transcripts to UC campus? (Semester system CCCs only)	Does the student receive a credit evaluation prior to enrollment in Fall term?	Does the campus generally accept applications for Winter and Spring terms?
<b>Berkeley</b>	Same for all campuses. (See definition below.)	First priority.	Yes	April 30	July 15	No	Winter: NA Spring: No <sup>4</sup>
<b>Davis</b>	Same for all.	First priority.	Yes	March 15 (80%) <sup>5</sup> March 31 (100%)	July 15	No	Winter: Yes <sup>6</sup> Spring: No
<b>Irvine</b>	Same for all.	First priority.	Yes	March 1-April 30	July 15	Yes, beginning July 15	Winter: Yes <sup>6</sup> Spring: No
<b>UCLA</b>	Same for all.	First priority.	Yes	Beginning on April 30 and thereafter on a rolling basis.	July 15	Yes, for all who attend orientation program	Winter: No <sup>7</sup> Spring: No
<b>Merced</b>	Same for all.	First priority.	Yes	NA	July 15	To be determined	Winter: NA Spring: To be determined
<b>Riverside</b>	Same for all.	First priority.	Yes	March 1-April 30	July 15	Yes, beginning July 15.	Winter: Yes <sup>6</sup> Spring: Yes
<b>San Diego</b>	Same for all.	First priority.	Yes	March 15 – April 30	July 15	Yes, upon receipt of transcripts.	Winter: Yes <sup>6</sup> Spring: Yes <sup>6</sup>
<b>Santa Barbara</b>	Same for all.	First priority.	Yes	March 15 – April 30	July 15	Yes, for all who attend orientation program.	Winter: Yes Spring: No
<b>Santa Cruz</b>	Same for all.	First priority.	Yes	March 1 (70%) April 30 (100%)	July 15	No, but students receive one by first week of quarter.	Winter: To be determined. Spring: No

<sup>1</sup> Information accurate as of April 16, 2004. Changes may occur without notice. “STC” means at press time these figures were “subject to change.” Contact the Admissions Office at each campus for up-to-date information.

<sup>2</sup> A California community college student applying for admission to the University of California in advanced standing will be given priority admission over all other applicants if: 1) he/she was enrolled at one or more California community colleges for at least two terms (excluding summer sessions); 2) the last college he/she attended before admission to a UC campus was a California community college (excluding summer sessions); and 3) he/she has completed at least 30 semester (45 quarter) UC transferable units at one or more California community colleges.

<sup>3</sup> Fall grades are generally used to help “borderline” applicants. Campuses may not use Fall grades if a student is clearly eligible or ineligible for admission.

<sup>4</sup> UCB applicants admitted in Spring term are students deferred from the Fall applicant pool only.

<sup>5</sup> Figures in parentheses indicate proportion of applicants notified by date shown. For example, at UCD 80% of applicants will be notified by March 15 and the remaining 20% by March 31.

<sup>6</sup> For the winter and spring terms, UCD, UCI, UCR, and UCSD generally accept only those students participating in one of its transfer admission guarantee programs.

<sup>7</sup> Junior-level transfer applications are accepted for the winter quarter for majors in the UCI A. Henry Samueli School of Engineering and Applied Science (HSEAS).

**FOR USE BY ACADEMIC COUNSELORS AND OTHER TRANSFER PROFESSIONALS ONLY**  
**UC Matrix for Applicants from California Community Colleges (continued)**

UC Campus	Minimum Transfer Course Requirements			Does the campus accept lower-division transfer applicants (i.e., less than 60 units)?	Campus "selecting" colleges, schools, or majors (i.e., require significant LD coursework or achievement of a specific GPA)	Minimum GPA needed in UC-transferable courses for transfer admission consideration. (GPAs below reflect most recent admissions cycle, unless otherwise noted.)	Does campus use the personal statement in its review of transfer applicants for UC admission? <sup>9</sup>
	Can the 60-unit minimum be completed in summer prior to Fall? <sup>8</sup>	Can the Math & English be completed in summer prior to Fall enrollment?	Can the four transferable courses be completed in summer prior to Fall?				
<b>Berkeley</b>	No	No	No	No	All <sup>10</sup>	GPA range for middle 50% of admitted students was 3.53-3.90 in 2003-2004.	Yes
<b>Davis</b>	Yes <sup>11</sup>	No	Yes	Yes, but only Col of Ag and Envir. Sciences.	All Bio Sci majors, All Engr majors, Psych, Intl Relations, Comp Sci, A&ES Biotech, Viticulture & Enology	Col of Letters & Science: 2.95, College of Agriculture & Envir. Science: 2.80 (STC) <sup>1</sup> Engineering: 3.10 and higher Division of Biological Sciences: 2.90	Yes
<b>Irvine</b>	Yes <sup>11</sup>	No	Yes	Yes, but only in fall & as space permits.	Most majors have prerequisite requirements. Please consult UCI website. <sup>12</sup>	Competitive GPA based on applicant pool.	Yes
<b>UCLA</b>	No	No	No	No	Most majors have significant major prep requirements – Consult web site <sup>13</sup>	Highly selective majors: 3.50 Selective majors: 3.30 All others: 3.30	Yes
<b>Merced</b>	No	No	No	To be determined	Engineering, Natural Sciences: Students are encouraged to complete preparation for the division	To be determined by the size and quality of the applicant pool. UC Merced has a limited number of spaces for Fall 2005.	Yes
<b>Riverside</b>	Yes	No	No	Yes	Business Administration, Studio Art, Col Nat & Ag Sci Sciences, Col of Engineering	Bus Adm: 2.50, Studio Art: 2.40, CNAS: 2.70 Engr: 3.00 <sup>14</sup> , CHASS: 2.40	No
<b>San Diego</b>	No	No	No	No	Comp Sci, Comp Engr (CSE & ECE Divisions), Bioengineering, Bioengineering-Biotechnology, Electrical Engineering	Competitive GPA based on applicant pool. Computer Science, Computer Engineering (CSE & ECE Divisions), Bioengineering, Bioengineering-Biotechnology, Electrical Engineering	No
<b>Santa Barbara</b>	No	No	No	No	Engineering, Bio Sciences, Computer Science. Performance majors in Dance, Music and Theatre (audition); College of Creative Studies.	College of Letters and Science: 2.60 Engineering: 3.00	No
<b>Santa Cruz</b>	Yes	No	No	Yes, but only in fall and if space permits.	Art, Environmental Studies, Psychology, Engineering	2.40; higher for majors in the School of Engineering.	No

<sup>8</sup> Campuses that permit summer units generally prefer that students try to complete no more than 6 units total in summer session.

<sup>9</sup> While campuses vary in use of personal statement, all use it to evaluate gaps in applicants' educational history or in the evaluation of applicants for certain scholarships.

<sup>10</sup> For information on selection procedures and required major prerequisites at UCB, consult <http://admissions.berkeley.edu> and [www.assist.org](http://www.assist.org).

<sup>11</sup> Admissions priority given to applicants who complete the unit minimum by the spring term.

<sup>12</sup> For information on selection procedures and required major prerequisites at UCI, consult <http://admissions.uci.edu> and [www.assist.org](http://www.assist.org).

<sup>13</sup> For information on major prep requirements at UCLA, consult: [http://www.saonet.ucla.edu/uars/prospect/adm\\_tr/lsmajors.htm](http://www.saonet.ucla.edu/uars/prospect/adm_tr/lsmajors.htm).

<sup>14</sup> A 3.00 GPA in the College of Engineering at UCB is required in engineering preparation courses only.
