Filipino	17,092	12%	Total	241,942	4%

Projected change in the number of high school graduates between the last actual number graduated in June 1999 and the projected number for June 2010

Am Indian	694	26%	Hispanic	70,711	74%
Asian	6,810	21%	Pac Islander	1,204	65%
Black	4,657	21%	White	2,639	2%
Filipino	2,250	24%	Total	88,965	30%

Considerations in interpreting the projections:

Projections of Asian, Filipino, and Pacific Islander are based on a common category of births, since births projections are not available for individual categories.

Historical enrollment data show inconsistencies which suggest some reporting problems.

Changing patterns of migration, fertility, and school attendance may alter grade-progression ratios from those in recent history.
