

THE COMMUNITY EDUCATORS' SUMMER INSTITUTE
A UNIVERSITY-COMMUNITY ENGAGEMENT PROJECT
CESAR E. CHAVEZ STUDENT CENTER, UC BERKELEY
JUNE 12 - 13, 2008

Thursday, June 12, 2008

9:00 am - 6:00 pm and

Friday, June 13, 2008

9:00 am - 3:00 pm

The Community Educators' Summer Institute (The Institute) is a two-day training program that will offer opportunities for community-based organizations to constructively evaluate their current academic support programs and to **ensure that programs are student-centered, relevant to the school day, aligned with district and state academic standards in core content areas, as well as, engaging and appropriately challenging.** Additionally, the Institute will offer participating organizations **staff tools, resources and strategies** that will help build the capacity of their current programs as well as encourage **sustainability.**

Institute participants will receive:

1. Program planning, implementation and evaluation checklists
2. A resource guide filled with after-school resources, helpful hints, ideas, Web sites, videos, local organizations, publications and curriculum resources for planning after-school programs
3. Sample program models including sample staff training curriculum
4. User-friendly evaluation tools to measure program outcomes and evaluation
5. A Certificate of Completion

Sample workshop topics include:

1. Designing Program Goals, Objectives and Measuring Outcomes
2. Effective Strategies for Academic Preparation and Advisement
3. Strategic Tutoring Principles: The Difference Between Homework Help and Building Skills
4. Strategies to Close the Achievement Gap in English Literacy - Elementary, Middle and High School
5. Strategies to Close the Achievement Gap in Math Literacy - Elementary, Middle and High School
6. Creating New Ideas, Building Coalitions: Effective Program Integration & Collaboration
7. Effective Methods of Academic Mentoring
8. Building Academic Supportive Relationships with Families
9. Program Curriculum Research, Selection and Implementation Strategies
10. Sustaining Program Funding Resources
