Revised Academic Personnel Policy 220-85-b, Professor Series; Policy 335-10-a, Cooperative Extension Advisor Series; and Policy 740-11-c, Leaves of Absence/Sabbatical Leaves; and Rescission of Academic Personnel Policy 350, Postgraduate Research (e.g., *Physicist*)

Dear Colleagues:

Enclosed for issuance are revised Academic Personnel Policy 220-85-b, Professor Series; Policy 335-10-a, Cooperative Extension Advisor Series; and Policy 740-11-c, Leaves of Absence/Sabbatical Leaves. In addition, Academic Personnel Policy 350, Postgraduate Research (e.g., *Physicist*), is hereby rescinded. The revisions and rescission are effective immediately.

- **APM-220-85-b (Professor Series)**

APM-220-80-e was incorrectly referenced in this section. The text was corrected to reflect the appropriate policy reference, APM-220-80-g.

- **APM-335-10-a (Cooperative Extension Advisor Series)**

The educational requirement has been deleted from APM-335-10-a, making the criteria for Cooperative Extension Advisors consistent with criteria for Specialists in Cooperative Extension (APM-334-10-a).

- **APM-740-11-c (Leaves of Absence/Sabbatical Leaves)**

The following titles have been added to the list of titles that are eligible to qualify for sabbatical leave service: Laboratory Director, Deputy Laboratory Director, and Associate Laboratory Director.

- **APM-350 (Postgraduate Research (e.g., *Physicist*))**

APM-350 is rescinded on the basis that the policy has been rendered obsolete by the provisions of APM-390 (issued July 1, 2003).

These policies have been reviewed by campuses, the Academic Senate, the Office of the General Counsel, employee organizations and affected employees.

The revised policies may be found online at:
