Part B - Advanced degree question

Data changed on this page cannot be saved and therefore will not be changed in the Prior Year system.

Advanced degree question

What method will you use to report data on your institution's doctor's degrees and professional degrees on BOTH Institutional Characteristics in Fall 2008 and Fall Enrollment in Winter 2008-09/Spring 2009?

The new postbaccalaureate degree classifications:

Master's degree

Doctor's degree - research/scholarship

Doctor's degree - professional practice

Doctor's degree - other

To use this method, you will need to recode all doctor's and first-professional degrees into the four graduate level categories listed above. You will also report any first-professional certificates as post-master's certificates. You will be required to use this method when reporting this survey in 2009-10 IPEDS.

The old postbaccalaureate degree classifications:

Master's degree

Doctor's degree

First-professional degree

This institution does not have any programs beyond the baccalaureate level.

Please note: The Fall Enrollment data that you will report this winter or spring MUST use the same method for reporting professional programs that you use for the Institutional Characteristics survey this fall. No changes to reporting method will be allowed after the fall data collection closes.
