Statistical Summary of Students and Staff

University of California

Fall 2007

Foreword

The University of California *Statistical Summary of Students and Staff* for fall 2007 is divided into three sections: Enrollment, Degrees Conferred, and Personnel. Each section provides information for the University as a whole and for each of the ten campuses at which students are enrolled: Berkeley, Davis, Irvine, Los Angeles, Merced, Riverside, San Diego, San Francisco, Santa Barbara, and Santa Cruz. The Personnel section also provides information for the Office of the President and the Division of Agriculture & Natural Resources. Explanatory notes located at the end of the document provide definitions for the terms used in the tables.

In addition to current-year information, this *Statistical Summary of Students and Staff* displays statistics for the prior year and the percentage change between years. Further historical data are available on the *Statistical Summary of Students and Staff* web site at:

<http://www.ucop.edu/ucophome/uwnews/stat/>

Data for the *Statistical Summary of Students and Staff* were generated from the University of California Corporate Student System and Corporate Personnel System. These systems are maintained by the Office of the President and incorporate data provided by the campuses. Questions about the content of the Enrollment and Degree sections of the report should be directed to Dominique Pfaff at (510) 987-0394. Questions about the content of the Personnel section of the report should be directed to Karla Holmberg at (510) 987-0398.

An electronic version of the *Statistical Summary of Students and Staff* for fall 2007 may be downloaded from <http://www.ucop.edu/ucophome/uwnews/stat/>. Printed copies may be obtained from the Office of the President by calling (510) 987-0394.

NONDISCRIMINATION STATEMENT

The University of California, in accordance with applicable Federal and State law and University policy, does not discriminate on the basis of race, color, national origin, religion, sex, gender identity, pregnancy,¹ disability, age, medical condition (cancer-related), ancestry, marital status, citizenship, sexual orientation, or status as a Vietnam-era veteran or special disabled veteran. The University also prohibits sexual harassment. This nondiscrimination policy covers admission, access, and treatment in University programs and activities.

Inquiries regarding the university's student-related nondiscrimination policies may be directed to: Maria Blandizzi, 510-987-9210.

¹*Pregnancy* includes pregnancy, childbirth, and medical conditions related to pregnancy or childbirth.

The University of California prohibits discrimination against or harassment of any person employed by or seeking employment with the university on the basis of race, color, national origin, religion, sex, gender identity, pregnancy (including childbirth and medical conditions related to pregnancy or childbirth), physical or mental disability, medical condition (cancer-related or genetic characteristics), ancestry, marital status, age, sexual orientation, citizenship, or status as a covered veteran (special disabled veteran, recently separated veteran, Vietnam-era veteran, or any other veteran who served on active duty during a war or in a campaign or expedition for which a campaign badge has been authorized). The University of California is an affirmative action/equal opportunity employer. Consistent with its status as a federal contractor, the University undertakes affirmative action for minorities and women, for persons with disabilities, and for covered veterans.²

²The above University of California Nondiscrimination and Affirmative Action Policy Regarding Academic and Staff Employment is currently under review. This policy is being revised to conform to the Uniformed Services Employment and Reemployment Rights Act of 1994 and federal regulations implementing the Jobs for Veterans Act of 2002, which became effective September 7, 2007. The policy is also being revised to add a provision that would prohibit retaliation against any employee or person seeking employment for bringing a complaint of discrimination or harassment pursuant to the University's nondiscrimination in employment policies. Issuance of the new policy is expected in March, 2008, at which time it will be posted on the Office of the President Diversity web site at <http://www.ucop.edu/ucophome/coordrev/policy/12-18-03NondiscriminationEmployment-academic-staff.pdf>.

Although the new policy had not been issued at the writing of this plan, the plan has been reviewed and is in compliance with the regulations implementing the September 7, 2007, amendments to the affirmative action provisions of Vietnam Era Veterans' Readjustment Assistance Act VEVRAA that were made by the Jobs for Veterans Act.

University policy is intended to be consistent with the provisions of applicable state and federal laws and other University policies.

Inquiries regarding the University's equal employment opportunity policies may be directed to: Academic: Sheila O'Rourke, (510) 987-9499; Staff and Management: Joe Epperson, (510) 987-0606.

Explanatory Notes

1. All enrollment counts consist of students who are registered at the end of the third week of classes. Students in the Education Abroad Program are included in the enrollment of each campus.
2. Undergraduate students who have met all the requirements for admission to the university are classified according to the number of units of credit completed as follows:

Freshman	between 0 and 44.9 quarter units (0-29.9 semester units);
Sophomore	at least 45 but not more than 89.9 quarter units (30-59.9 semester units);
Junior	at least 90 but not more than 134.9 quarter units (60-89.9 semester units);
Senior	at least 135 quarter units (90 or more semester units).

In addition to those students who have met all of the requirements for admission to the university are Special, Limited, and Postbaccalaureate students who are defined as follows:

Special	lower division students of mature years who have not had the opportunity to complete a satisfactory high school program, who have not completed a substantial amount of college work, and who, by reason of special attainments, may be prepared to undertake courses in the university toward a definite and limited objective;
Limited	upper division students with bachelor's degrees who are not candidates for an advanced degree or those without bachelor's degrees who have completed a substantial amount of college work and who, by reason of special attainments, may be prepared to undertake certain courses in the university toward a definite and limited objective;
Postbaccalaureate	students who hold a baccalaureate degree whose sole objective is a teacher education credential.

For tables in this report, undergraduates in the groups above are aggregated into the following categories:

Lower Division	freshmen, sophomores, and special students;
Upper Division	juniors, seniors, and limited students;
Postbaccalaureate	postbaccalaureate students.

3. Graduate students are those students holding a bachelor's degree or its equivalent who have been admitted to the Graduate Division and who are working toward a higher degree or credential. Graduate students are classified according to degree objective and progress toward the degree as follows:

Master's	students working toward a master's degree, a certification credential, or a non-doctoral first professional degree (e.g., Juris Doctor, Master of Business Administration) or who have no degree objective;
First Doctoral	students working toward an academic or professional doctorate (e.g., Doctor of Medicine, Doctor of Dental Science) who have not been advanced to candidacy;
Second Doctoral	students working toward an academic or professional doctorate who have been advanced to candidacy.

For enrollment tables in this report, graduate students in the groups above are aggregated into the following categories:

First Stage	master's and first doctoral students;
-------------	---------------------------------------

Second Stage second doctoral students.

4. Full-time status and part-time status of students registered at the University are defined as follows:

Full-time undergraduate students enrolled for 12 or more units of credit in a given term, first stage graduate students enrolled for 8 or more units of credit in a given term, and second stage graduate students;

Part-time undergraduate students enrolled for fewer than 12 units of credit in a term, and first stage graduate students enrolled for fewer than 8 units of credit in a term.

5. The registration status of students registered at the University is classified as follows:

New students enrolled for the first time in regular session;

Continuing students enrolled in regular session whose enrollment at the reporting campus has not been interrupted;

Returning students returning to the reporting campus after an absence of two or more quarters. For some campuses, a student returning after an absence of one quarter will also be classified as a returning student.

6. University personnel are classified as follows:

Academic academic administrators, regular teaching faculty, lecturers and other teaching faculty, student assistants, researchers, librarians, cooperative extension researchers, university extension faculty, and other academic personnel;

Non-Academic senior management (SMG), management and senior professionals (MSP), and professional and support staff (PSS).

7. The University's instruction and research programs are organized into two broad categories, general campus and health sciences:

Health Sciences primarily offered through 15 schools providing education and training to students preparing for careers in clinical care, teaching, and research, as well as selected other programs;

General Campus all non-health sciences programs are categorized as general campus.
