**EXECUTIVE VICE CHANCELLORS/PROVOSTS
LABORATORY DIRECTOR WITHERELL
VICE PRESIDENT HUMISTON**

Dear Colleagues:

In his letter of May 14, 2021, President Drake outlined and asked Chancellors to implement a 2021-22 salary program for policy-covered academic appointees (see enclosed). This salary program focuses on the academic salary scales: a general range adjustment of 3.0% (subject to rounding) will be applied to all policy-covered academic salary scales and ranges. Salary scales for policy-covered Librarians and Academic Researchers will receive parity adjustments. The following sections summarize how the 2021-22 salary program will be implemented for policy-covered academic appointees.

The regular peer-review merit advancement process for policy-covered academic appointees will continue per academic personnel policy. Campuses are encouraged to continue their efforts to implement equity adjustments for policy-covered academic appointees where deemed warranted.

Salary Scales for Policy-covered Faculty, Astronomer, and Agronomist Titles

Under the 2021-22 salary program, the salary scales for policy-covered faculty and ladder-rank equivalent (astronomer and agronomist) will be adjusted by the 3.0% general range adjustment, effective October 1, 2021. All scale adjustments are subject to rounding; therefore, the exact percent increases may differ. Minimum scales will also be increased accordingly. The applicable salary scales are listed below.

Other Considerations for 2021-22

- All salary scale percentage adjustments listed above are approximate as the precise amount may vary due to rounding.
- Salary scales in effect for 2021-22 are available online on the [Academic Personnel and Programs website](#).
- For faculty participating in the Negotiated Salary Trial Program (NSTP), once the negotiated increment is set for the year (beginning on July 1, 2021), the absolute dollar amount of the negotiated increment will remain the same. In agreements where the negotiated increment is calculated on a percentage of base salary, the base salary in effect on July 1, 2021 will be used to determine the absolute dollar amount.
- Local salary scales are the purview of the campuses and should be adjusted appropriately.
