VICE PRESIDENT HUMISTON**

Dear Colleagues:

In his letter of June 16, 2026, President Milliken announced the 2026-27 salary program for policy-covered academic appointees (see enclosed). A 4% general range adjustment (subject to rounding where applicable) will be applied to all policy-covered academic salary scales and ranges. The following sections summarize how the 2026-27 salary program will be implemented for policy-covered academic appointees.

In addition, the regular peer-review merit advancement process for policy-covered academic appointees will continue per academic personnel policy.

GENERAL RANGE ADJUSTMENT

All salary scale percentage adjustments listed below are approximate as the precise amount may vary due to rounding.

Salary Scales for Policy-covered Faculty, Astronomer, and Agronomist Titles

Under the 2026-27 salary program, the salary scales for policy-covered faculty and ladder-rank equivalent (astronomer and agronomist) will be adjusted by the 4% general range adjustment, effective October 1, 2026. All scale adjustments are subject to rounding; therefore, the exact percent increases may differ. The applicable salary scales are listed below.

- Faculty ladder-ranks, equivalent faculty, and other faculty – Tables 1 - 4
- Faculty ladder-ranks, Health Sciences Compensation Plan – Table 5, Scales 0-9
- Faculty ladder-ranks, Strict Full-time Veterinary Medicine – Table 7

Above-scale Faculty: Coincident with the October 1, 2026, effective date, above-scale faculty will have their salaries incremented according to standard processes established by each campus for above-scale faculty.

Off-scale Salary Components: There is no mandate for systematic, campuswide adjustments to off-scale salaries. Campus practices may be followed regarding treatment of off-scale salary components.

Salary Scales for Policy-covered Non-faculty Academic Appointees

Salary scales for policy-covered academic appointees listed below will be increased by the general range adjustment of approximately 4% (subject to rounding), effective July 1, 2026, for monthly paid and July 5, 2026, for biweekly paid appointees. These scales are listed below.

In compliance with the Health Care Worker Minimum Wage, the salary rates for policy-covered Post-D.D.S., Clinical Psychology Interns, and Non-Physician Clinical Trainees will be adjusted to meet the July 1, 2026, Health Care Worker Minimum Wage minimum wage of \$25/hour for non-exempt employees and \$78,000 for exempt employees, effective July 1, 2026. During this adjustment, the minimum non-exempt salary rate for policy-covered Non-Physician Clinical Trainees did not require an increase; it will be adjusted by 4%, effective July 5, 2026.
