COUNCIL OF VICE CHANCELLORS

Dear Colleagues:

Since the Librarian salary scale effective October 1, 2011 for represented Librarians was issued by my office on October 20, 2011, we have discovered an error in the number of years at step listed for the titles Assistant Librarian, Steps I – III, and Associate Librarian, Step VII. To rectify this error, we have attached the revised scale with the correct number of years at step for these titles; the revised scale is also available online at <http://www.ucop.edu/acadpersonnel/compensation.html>.

Thank you for your patience and understanding.

Sincerely,

A handwritten signature in cursive script that reads "Susan Carlson".
