ACADEMIC PERSONNEL DIRECTORS

Dear Colleagues:

Pursuant to a request from the Berkeley campus and following approval by the UC-AFT, we have established five new title codes and titles for lecturers with the 1/10th monthly designation in the Corporate Title Code System for lecturers in the Non-Senate Instructional (NSI) bargaining unit. The new titles codes are effective July 1, 2013. In addition, the new title codes are a necessary part of the UC Path project and will facilitate paying lecturers at the semester campuses of Berkeley and Merced, and the law schools at the 1/10th monthly rates. The new titles do not change the terms and conditions of employment for these lecturers.

The annual salary rates for the new lecturer title codes are the same annual salary rates as those for academic-year lecturers in the NSI bargaining unit shown on the attached salary Table 16, which lists the lecturer salary ranges, and Tables 17-1, and 17-2, which list annual and monthly salary rates, including the new 1/10th monthly rates, within the salary ranges.

The new lecturer title codes and titles are included in CTO (Class Title Outline) 225, Lecturer, in the NSI bargaining unit and are listed below. A complete listing of the lecturer title codes and titles in CTO 225, including these new lecturer titles, is also attached for your information.
