

Entrances to Campus

This map is an overhead layout of the shared lobby on the ground floor of the 1100 Broadway building (on the left) and the 1111 Franklin building (on the right). The lobbies of the two buildings connect so you can enter from Broadway, Franklin, 12th Street or the Franklin Garage to access campus. Once you arrive, follow the path to can find your way to the designated UCOP elevators or stairwells for your destination.

BROADWAY ELEVATOR BANKS operate with a modern destination system for a touch-free process and increased efficiency,

UCOP staff with workspaces in Broadway have their assigned floor pre-programmed into their UCOP badge. Simply place your badge near the card key reader outside of the Broadway elevator bank for direct access to your floor. You can access other floors by placing your badge near the card key reader and selecting your desired floor on the touch screen.
