What is UC Scout?

- UC's online high school program
- Started 1999
- Big change in 2012: providing teachers
- Scout in one word: *Access*
- Can satisfy all a-g requirements with Scout
- Need to spread the word

UC Scout ≠ MOOC

MOOC	UC Scout
Tens of thousands of students in one course.	Max of 40 students in one course.
Typically no credit granted.	Typically credit granted.
Typically no proctored exams.	Typically proctored exams.
Typically no transcripts.	Typically transcripts.
Not high school classes.	High school classes.
Not used for college admissions.	Used for college admissions.
Courses built however professors want (boutique approach).	Courses built to BOARS/CMP/a-g/College Board/NCAA/iNACOL/QM/FAIR standards.
Most students enroll with zero intention of ever completing the course.	Most students enroll with the intention of finishing the course.
Very few assignments, projects, quizzes, or tests.	Many assignments, projects, quizzes, and tests.

# 23,271

All-time enrollments as of May 2018, since Fall 2012
