

California Department of Education (CDE)

- (1) DataQuest — detailed data for a specific subject at the state level, or for a specific county, district, or school

<https://dq.cde.ca.gov/dataquest/>

- (2) California School Dashboard — detailed data on many subjects for a single school

<https://caschooldashboard.org/>

- (3) Downloadable Data Files — Excel-readable versions of the data behind (1) and (2)

<https://www.cde.ca.gov/ds/dd/>

California Community Colleges Chancellor's Office (CCCCO)

- (4) Data Mart — detailed data for a specific subject at the state level, or for a specific community college

<http://datamart.cccco.edu/datamart.aspx>

California State University Office of the Chancellor (CSUOC)

- (5) Institutional Research And Analyses Reports — Numerous data products

<https://www.calstate.edu/as/>

four highlights:

- a. CSU Student Information Dashboard — interactive infographics

<http://asd.calstate.edu/dashboard/>

- b. Academic Performance Reports — student outcomes by source high school or CCC by academic year

<http://asd.calstate.edu/performance/>

- c. Statistical Reports — apps/admits/enrollees/graduates by academic year

<https://www.calstate.edu/as/stats.shtml>

- d. Graduation Rates — additional data by student sub-group and select majors

<http://asd.calstate.edu/csrde/>

University of California Office of the President (UCOP)

- (6) UC Accountability Report — detailed narrative and outcomes analysis

<https://accountability.universityofcalifornia.edu/>

- (7) UC Info Center — numerous interactive infographics

<https://www.universityofcalifornia.edu/infocenter>

five highlights:

- a. Admissions by source school — Data Table for freshman and transfer apps/admits/enrollees by source high school/community college and term

<https://www.universityofcalifornia.edu/infocenter/admissions-source-school>

- b. Fall enrollment at a glance — Dashboard for all students by term

<https://www.universityofcalifornia.edu/infocenter/fall-enrollment-glance>

- c. UC remains affordable for undergraduates — Storyboard on financial aid

<https://www.universityofcalifornia.edu/infocenter/uc-remains-affordable-undergraduates>

- d. CA Demographics — Dashboard projecting demographics through 2060

<https://www.universityofcalifornia.edu/infocenter/ca-demographics>

- e. University of California Undergraduate Experience Survey (UCUES), 2016 — Data Tables with detailed survey results

<https://www.universityofcalifornia.edu/infocenter/ucues-data-tables-2016>

- (8) UC facts at a glance — static fact sheets and brochures on UC outcomes

<https://www.universityofcalifornia.edu/press-room/fact-sheets>

- (9) Institutional Research Content & Analysis — additional static resources for many topics, from undergraduate admissions to academic policies and planning

<https://www.ucop.edu/institutional-research-academic-planning/content-analysis/>
