

**ANR** Intermountain REC Field Laboratory and Multipurpose Facility

**#9512500**

**FY of Approval:** 2014-15

**Project Description**

- Provides space for dry-laboratory activities, seminars, and educational programs.
- Enhances research, extension, and educational activities in the Intermountain REC.
- Faculty, specialists, and advisers will use the facility for mountain and high-desert agriculture and natural-resource activities.
- Intermountain REC is located outside the city limits of Tulelake, California, in Siskiyou County. Formerly a lakebed, the 140-acre Center research focuses on potato, alfalfa, wheat and other crops to help growers maximize profitability, reduce environment impacts and meet industry and consumer needs.

**Project Scope Summary**

ASF	3,000
GSF	3,750
