

Berkeley Donner Lab Seismic Replacement

FY of Approval: 2014-15

Project Description

- Two P3 options now under consideration for Donner Lab (1959).
- Existing building has inadequate and obsolete building systems, annex portion has 'V' seismic rating.
- Option 1: replace entire building with new building for College of Chemistry.
- Option 2: renovate older portion, replace annex portion with new building.
- Existing building now primarily utilized by Berkeley Lab programs, to be relocated to other Berkeley Lab space.
