

Irvine

Hewitt Hall Basement Buildout of Shell Space

FY of Approval: 2014-15

Project Description

- Addresses the School of Medicine's lack of laboratory space for its faculty.
- Builds out shell space in the basement of Hewitt Hall as research and imaging laboratories and support space.
- Supports campus goal to provide new and renovated facilities for instruction and research.
- Project will move forward when sufficient gift funding has been raised.
- Will require LEED™ Silver, with a bid alternate for Gold.
