

**Davis** Main Hospital 5th Floor ICU Remodel (Sacramento Campus)

Fiscal Year of Approval: 2015-16

**Project Description**

- \* Renovates 8,500 gross square feet of existing, licensed, bed space in order to allow for the reactivation of 16 cardiothoracic intensive care unit (ICU) beds in space formerly occupied by the Burn and Neurosurgical units (since relocated to the Surgery and Emergency Services Pavilion in 2010).
- \* Upgrades space to current code by improving waste lines, electrical infrastructure, HVAC infrastructure, lighting, and ceiling and wall finishes.
- \* Improves the data communications infrastructure for new - wireless - hospital equipment.
- \* Provides all medical equipment to include beds, med gas units, and ICU headwalls.

**Project Scope Summary**

ASF	6,000
