

San Diego Tuolomne Apartments Life Safety and Building Renewal

Fiscal Year 2015-16

Project Description

- Project to renovate 40-year-old undergraduate apartments to address life-safety and ADA needs, along with overall facilities modernization.
- Project elements would include installation of fire sprinklers, modernization of baths, infrastructure improvements (as needed), and other improvements necessary to extend useful life of facilities.
- Part of the Housing, Dining, Hospitality plan to ensure all single undergraduate housing is up to current fire/life/safety standards and codes.
- Work would need to be implemented over two - three summers.
