### CHECKLIST ITEMS

#### 1. Does the project require discretionary approval(s) from a CEQA responsible agency? (check one)
- ☐ Yes → ☐ No

- [Provide list of Responsible Agency approval(s) required. (Provide list or N/A) e.g., California Coastal Commission, U.S. Army Corps of Engineers, CalFire, California Department of Fish & Wildlife, U.S. Fish & Wildlife Service, etc.)
- ☐ Indicate status of application(s). (Brief statement of status or N/A)
- ☐ Indicate anticipated timing of Responsible Agency approval. (Date or N/A)

#### 2. CEQA Compliance. (check all applicable boxes, electronically attach all applicable documents)
- ☐ EIC form signed by OP
- ☐ Exemption [Identify applicable CEQA statute or guidelines section]
- ☐ Environmental documentation is required [Identify type of environmental document and identify anticipated date draft documents would be available for review by OP and OGC. Provide electronically if already available.]
- ☐ Public notification of pending delegated approval [Provide location of public notification on campus website – current or anticipated]
- ☐ Required CEQA noticing [List all applicable notices with past and anticipated future filing/distribution dates]
- ☐ For EIRs only: Public scoping meeting date(s): [Past or anticipated future date(s)] and Public hearing dates: [Past or anticipated future date(s)].

#### 3. Community Concerns
- ☐ Community Concerns: [Describe any anticipated community concerns with environmental impacts associated with the project or the environmental review process.]

---

1 EICs should be sent to both OP Physical and Environmental Planning and the assigned OGC land use counsel for the campus no later than the time the delegated checklist is submitted. If there is any change in project scope from that described in an EIC previously signed by OP, the campus shall notify OP and OGC to confirm whether a new or revised EIC is required. An EIC signed by OP is the only CEQA documentation that must be complete prior to approval of the delegated checklist, regardless of the type of approval being sought (e.g. budget only).

2 Documentation of an exemption (categorical, statutory, or common sense) should always include the EIC plus explanatory text in the approval item’s environmental summary section, and may also require an additional “Memo to the File” that demonstrates why the project qualifies for the specific exemption(s) cited.

3 CEQA documents (draft or final) are not required for OP to complete review and approval of the delegated checklist. The campus/medical center should coordinate with OP and OGC for the review of administrative draft CEQA documents prior to public review and/or finalization. At least 2 weeks should be provided for review of draft documents. The campus/medical center is responsible for assuring all required CEQA documents are complete and appropriately attached to design approval items at the time of Chancellor’s approval.

4 The campus/medical center is required to provide public notice of the proposed delegated approval of the project and the availability of final environmental documents, and must post the environmental documents on its website, at least 15 days in advance of the action to approve the project. Environmental documents must remain available on the campus website at least 40 days following approval.

5 The campus/medical center is responsible for filing of all applicable notices pursuant to CEQA (e.g. NOP, NOA, NOE, NOD).
