Subject to conditions prescribed by the University of California, Office of the president, qualifications for a professional services agreement are invited for the following work:

Comparative Construction Cost Analysis

UNIVERSITY OF CALIFORNIA, OFFICE OF THE PRESIDENT

DESCRIPTION OF WORK:

UC seeks a firm that can assist us in reviewing our construction cost comparison process to provide recommendations and enhancements that will enable us to develop comps that reflect current industry conditions and better predict future costs.

The scope of services will include reviewing the existing UC comparative construction costs tool and methodology and providing recommendations for alternative processes for future cost escalation/de-escalation and a clear basis and explanation of future escalation factors. See attached Request for Qualifications for the full scope of services and more details.

Please submit your qualifications by August 10, 2022, at 5 pm to Anthony Cimo, University of California Office of the President, Design and Construction Services, at anthony.cimo@ucop.edu.

Every effort will be made to ensure that all persons have equal access to contracts and other business opportunities with the University within the limits imposed by law or University policy. Each Candidate Firm will be required to show evidence of its equal employment opportunity policy.

Please contact Anthony Cimo at anthony.cimo@ucop.edu if you need further information or clarification.
