CHANCELLORS

Dear Colleagues:

Consistent with authority granted to the President under Section 100.4(g) of the Standing Orders of The Regents, I am approving a \$10 increase in the University Undergraduate Application Fee for individuals applying for Fall 2012 admission.

With this increase, the Universitywide Undergraduate Application fee, currently set at \$60 for U.S. resident applicants and \$70 for international applicants, will increase to \$70 and \$80, respectively. The fee for students applying for readmission or a second baccalaureate degree will increase to \$70. The fee for students seeking admission as an intercampus visitor will increase to \$70.

In recognition of the hardship that implementation of the applicant fee increase may place on some students, we will continue to offer fee waivers for needy California resident applicants.

The increase in the application fee is in response to anticipated increases in the costs associated with the implementation of the University's new freshman admissions policy. Under the funding streams initiative, the total application fee revenue, including the increases, will be distributed to campuses based on the number of applications received.

If you have any questions or need additional information, please get in touch with Vice President Lenz.

With best wishes, I am,

Sincerely yours,

A handwritten signature in black ink, appearing to read "Mark G. Yudof".
