

Campus UAS Activity Authorization Cheat Sheet

Requirements	Model Aircraft	Public COA	Part 107	Waiver
Registration (\$5 for an individual, \$5 per aircraft)	Ind. Reg.		Aircraft Reg.	
Licensing Requirement	None	Conditional	SUAS Cert.	SUAS and above
Licensing Cost	\$0	\$150-\$10,000	\$150	\$150-\$10,000
Altitude Limit	400 ft	Conditional	400 ft	Waivable
Aircraft Availability	Any	Any	Any < 55 lbs	Any < 55 lbs
Authorization Time	N/A	3-8 months	Campus	TBD
User Group/Purpose	Model Aircraft	Public COA	Part 107	Waiver
Aircraft over 55 lbs	^	^		
Athletics - Over Game	Currently not legally allowed			
Athletics - Over Practice				
Athletics Promotional Video – Controlled Environment				
Beyond Line of Sight		^		
Campus Law Enforcement				
Campus Search & Rescue				
Campus Video Production				
Construction Survey				
Engineering Research Project (Faculty Directed)		*		
External Contractor				
Flying above 400 ft	^	^		
Flying over access-controlled consenting people		^		
Flying over non-participating people		^		
Flying within 5 NM of an Airport	Requires Additional Clearance ^			
Internal University Drone Service Provider				
International Student Pilot		*		
Night time flying		^		
Multiple Aircraft		^		
Research Project on Aeronautical Research				
Research Project on Agriculture		*		
Research Project on Biological Resource Management				
Research Project on Digital Archeology		*		
Research Project on Geological Resource Management				
Research Project on Wildlife Monitoring				
Student (Recreationally)				
Student Class Project				
Student Club				
Student Demonstration at Campus Event	+			
Student Dissertation Project		*		
Student in an Aviation Class				
Student Journalist with Campus Media				
Student Journalist with Student Government				
Student Providing a Commercial Service				
Student Research Project (Funded by External Agency)		*		
Student Research Project (Funded by Faculty)		*		
Student Research Projected (Funded by Student Gov't)		*		
Student Thesis Project		*		
Video Production for Campus Showcase				

Not Allowed **Conditionally Allowed** **Allowed**

- * Depends on the specific research project. Contact the Center on UAS Safety for details.
- ^ Other conditions or allowances may apply. Contact the Center on UAS Safety for details.
- + Depends on compensation
