Five Rules of the Road

Five Rules of the Road prepare you for safe and fun bicycling no matter where you're riding.

FOLLOW THE LAW
Your safety and the image of bicyclists depend on you. You have the same rights and responsibilities as drivers. Obey traffic signals and stop signs. Ride with traffic; use the rightmost lane headed in the direction you are going.

BE PREDICTABLE
Make your intentions clear to everyone on the road. Ride in a straight line and don't swerve between parked cars. Signal turns, and check behind you well before turning or changing lanes.

BE CONSPICUOUS
Ride where people can see you and wear bright clothing. Use a front white light, red rear light and reflectors when visibility is poor. Make eye contact with others and don't ride on sidewalks.

THINK AHEAD
Anticipate what drivers, pedestrians, and other people on bikes will do next. Watch for turning vehicles and ride outside the door zone of parked cars. Look out for debris, potholes and other road hazards. Cross railroad tracks at right angles.

RIDE READY
Check that your tires are sufficiently inflated, brakes are working, chain runs smoothly, and quick release levers are closed. Carry tools and supplies that are appropriate for your ride. Wear a helmet.

May is National Bike Month

During National Bike Month, cycling enthusiasts across the country celebrate the many benefits of cycling.

The League of American Bicyclists, which advocates for a “Bicycle Friendly America,” sponsors Bike Month each year. The League’s handy, 32-page National Bike Month Guide has everything you need to plan a Bike Month event at your location, including tons of ideas for activities.

The League’s Ride Smart program also is a great resource for educational videos, classes, tips and other information about bike safety. Learn more about Ride Smart here.

Nissan Offers Discount to UC

University of California students, faculty and staff considering the purchase of a new electric vehicle can take advantage of a special promotion being offered by Nissan.

As part of an effort to accelerate Clean Transportation Alternatives throughout the Bay Area and beyond, Nissan is offering eligible faculty, staff, students and retirees of most, if not all, UC campuses a special deal on a 2018 all-electric Nissan Leaf through June 30, 2018.

You will receive:
- $3000 Rebate off MSRP
- up to $7,500 Potential Federal Tax Incentive

Please note that “free charging” might not apply to campus charging. Please check with Nissan to find out where their “no-charge-to-charge” promotion is effective.

Contact your campus parking and transportation department for more information.
