**Robert Silsbee**  
**Resource and Capital Planning Director of the**  
**Administrative Services Division**  
**UC Santa Barbara**

Robert Silsbee is the Resource and Capital Planning Director of the Administrative Services Division at the University of California Santa Barbara (UCSB). Reporting to the Vice Chancellor of Administrative Services, Silsbee participated in securing entitlements for development of more than 300 faculty, staff, and student housing units on UCSB's North Campus on a site that was significantly constrained by sensitive natural habitat. The development project required mitigation of environmental impacts by restoring habitat both on- and off-site. Silsbee also analyzed the financial feasibility of UCSB's acquisition of a thirteen-story, 1,325-bed student residence hall, purchased for \$76 million from a private-sector owner in 2002. He analyzed the financial feasibility of building two commuter parking structures in 2005 and 2006 with construction costs of \$39 million and new debt of \$32 million. He also assisted with successfully guiding the Administrative Services Division through a decade of budget reductions, during which time the Division's state general funds were cut by more than one-third.

During the past three years, Silsbee also served as interim Director of the Transportation & Parking Services department within the Division. Silsbee is an ex officio member of three Chancellor's advisory committees: the Chancellor's Advisory Committee on Student Housing, Parking Ratepayers Board, and Transportation Alternatives Board, and he serves on the campus Information Technology Council.

Silsbee graduated from UCSB in 1980 with bachelor's degrees in economics and environmental studies and in 1989 with a master's degree in economics. Silsbee began working at UCSB in 2000, after 20 years of employment as an environmental and economic consultant in Santa Barbara.
