RE: Nominations for 2018 UC-CORO Leadership Program

As promised in my memo to you on September 12, 2017, instructions and the online form for nominating individuals for the 2018 UC-CORO Systemwide Leadership Collaborative is now available at: <http://www.surveygizmo.com/s3/3811518/2018UCCoroLeadershipNomination>.

The UC-CORO Systemwide Leadership Collaborative targets individuals who report to cabinet-level leaders. The purpose is to enhance the leadership skills of those individuals and to foster relationships, networking, and collaboration across UC. With the program being tailored for those at Director level and above, the participants will have field study opportunities to work on a specific UC location leadership initiative.

The program will be offered to approximately 45 to 50 senior staff and faculty/academic personnel administrators from UC locations. The participants will form a Northern California cohort and a Southern California cohort. Each cohort will follow the same curriculum. The curriculum will include location exploration sessions where participants will interview location leaders and have the opportunity to visit and learn about the institution. This provides a direct opportunity to get a sense of the intellectual, administrative, and cultural atmosphere of multiple University of California locations.

The UC-CORO Systemwide Leadership Collaborative is rigorous and requires a firm commitment of approximately 100 hours of seminars and intersession assignments. A group project will require an additional time commitment of approximately 40 hours. This is a substantial commitment and by nominating an individual you are agreeing to the time requirements and support of their attendance. CORO provides independent certification as to each individual's successful completion of the program.

Program Schedule:

- Nomination and selection of participants November 2017 - December 2017
- Cohort program scheduled to run from January 2018 - December 2018
- Cohort project identified by April 2018

Program Costs:

- Cost for each participant in the program will be \$5,000 plus travel related expenses

For more information regarding the UC-CORO Systemwide Leadership Collaborative you can access the website at: <http://www.ucop.edu/human-resources/coro/index.html> or feel free to reach out to Donna Salvo at donna.salvo@ucop.edu or Nancy Chen Lane at nancy.chenlane@ucop.edu with any questions.
