RE: Request for UC-Coro Systemwide Group Projects

As some of you may know, part of the Coro learning experience is having the participants engage in a group project. Using the skills acquired from the program, each cohort will collaborate to address a UC-wide organizational issue and make recommendations. We would like your ideas for a project and for you to consider sponsoring it for the group. The program participants will complete the project and deliver their recommendations at their graduation on December 4, 2018.

Attached you will find information regarding project outcomes, objectives and criteria. If you are interested in becoming a project sponsor please send suggestions by March 2, 2018 to Donna Salvo at donna.salvo@ucop.edu and Nancy Chen Lane at nancy.chenlane@ucop.edu.

For those of you that were unable to attend the 2017 graduation and project presentations, it was a vibrant collaboration of the group's development and accomplishments. I have attached the program website link that includes the 2017 cohort's amazing work:

With your help, we look forward to continuing the high value UC participants derive from the program.

Sincerely,

A handwritten signature in blue ink that reads "Dwaine B. Duckett".
