Note: Data include students who were offered admission to spring 2016 to Merced and spring 2018 to Berkeley and Merced. Guaranteed offers (referrals) include freshmen who met the admission requirements but were not originally admitted to the campuses of their choice. Guaranteed offers were made by Merced.

The Universitywide SIR rate reflects the 'unduplicated' numbers – that is the rate of students admitted to the University who submitted a SIR to any UC campus. Because students can be admitted at more than one campus but only SIR to one campus, the Universitywide SIR rate can be higher than a SIR rate for each campus.
