¹Neither parent has a 4-year college degree.

²California community college transfers exclude international, Education Abroad, Limited and Second Baccalaureate status students.

³Applicants reporting household income (weighted) at or below the 30th percentile based on the March supplement of the Current Population Survey (CPS) for Californians aged 30-65, \$45,000 or less in 2016, \$47,200 or less for 2017, and \$52,006 or less for 2018..

Note: Percent excludes students who did not report parents education level or family income.
