¹ Neither parent has a 4-year college degree.

² California community college transfers exclude International, Education Abroad, Limited Status, and Second Baccalaureate students.

³ Applicants reporting household income (weighted) at or below the 30th percentile based on the March supplement of the Current Population Survey (CPS) for Californians aged 30–65, \$55,214 or less for 2019, \$58,004 for 2020, and \$63,232 for 2021. Income reported for fall 2021 was pre-Covid (2019).

Note: Percent excludes students who did not report parental education level or family income.
