<sup>1</sup> Neither parent has a 4-year college degree.

<sup>2</sup> California community college transfers exclude international, Education Abroad, Limited and Second Baccalaureate status students.

<sup>3</sup> Applicants reporting household income (weighted) at or below the 30th percentile based on the March supplement of the Current Population Survey (CPS) for Californians aged 30-65, \$55,214 or less for 2019, \$58,004 for 2020 and 2021. Low-income cut-off for 2021 is still pending. In the meantime, same cut-off for 2020 was used for 2021.

Note: Percent excludes students who did not report parental education level or family income.
