## Inclusion Parameters
- 300 US universities
- Full range of degrees
- Research and undergraduate education focus
- 175 US universities
- Colleges with a five-year graduation rate of at least 75 percent
- Carnegie: research
- Teach undergraduates
- Offer Federal financial aid
- 50%+ UG in Bachelor progs
- Excludes military academies
- 800 global universities
- Must teach undergraduates
- 200+ articles per year (unless particular discipline focus)
- 950 global universities
- Top 500 based on citations per paper
- Regional performance indicators
- 1,300 global universities
- Faculty award count
- Research citation count
- Publish only top 500

## Indicators (high to low weighting)
- six-year & predict grad rates
- academic reputation
- expenditures/student
- SAT & ACT scores
- high school counselor rating
- average faculty comp
- % classes under 20, over 50
- % alumni who gave $$
- one year retention
- % in top 10% high school
- % faculty w/PhD
- admittance rate
- % full-time faculty
- student/faculty ratio
- freshmen w/Pell Grants
- grad rate for Pell recipients
- share of entering class that is low income and expected to graduate
- average net price for families between $30,000 and $75,000
- students w/Pell Grants
- net price
- predicted grad rate
- actual grad rate
- research expenditures
- bachelors to doctoral ratio
- sci and engr docs awarded
- faculty receive large awards
- faculty in nat’l academies
- Peace Corps rank
- ROTC rank
- Federal work-study funds
- community service rank
- service resources
- academic and research reputation
- staff per student ratio
- PhD per bachelor ratio
- PhD per academic staff ratio
- total & research revenue
- research productivity
- citations
- international per domestic student ratio
- intern’tl students per staff
- international collaboration
- industry revenue
- academic reputation
- student/faculty ratio
- citations per faculty
- employer reputation
- international faculty ratio
- international student ratio
- Nobel & Fields winners
- # highly cited researchers
- # publications in Nature and Science
- # publications in Science and Social Science Citation
- # publications weighted by academic FTE
