

Annual Report on Compensated Outside Professional Activities
Reporting Period: July 1, 2013 to June 30, 2014
Deans and Certain Other Full-Time Faculty Administrators

Please Note:

- 1) All faculty may engage in outside professional activities ("OPA") in accordance with APM – 025. OPA may include a faculty member's compensated OPA for a maximum of forty-eight (48) calendar days. Additional restrictions governing compensated OPA are placed on faculty appointed to a permanent, acting or interim dean or certain other full-time faculty administrator title under APM – 240 (dean) or APM – 246 (faculty administrator [100% time]). Faculty appointed under these policies may engage in up to twelve (12) University workdays per fiscal year in compensated OPA, before deducting accrued vacation leave for any compensated OPA performed in excess of twelve (12) workdays until they reach the forty-eight (48) day calendar limit.
- 2) Reporting may reflect a "zero" entry under "Time Served (Days)" category, below, if the compensated outside professional activity was conducted during non-University workday hours.
