

ANNUAL REPORT ON EXECUTIVE COMPENSATION FOR CALENDAR YEAR 2019: DEANS AND CERTAIN FULL-TIME FACULTY ADMINISTRATORS

BACKGROUND, RELEVANT POLICY, AND SUMMARY

This document provides an overview of the Annual Report on Executive Compensation for Calendar Year 2019: Deans and Certain Full-Time Faculty Administrators in the Academic Personnel Program (“APP Report”) and the Addendum to the Annual Report on Executive Compensation for Calendar Year 2019: Deans and Certain Full-Time Faculty Administrators (“Addendum”). The APP Report details all aspects of deans’ and certain other full-time faculty administrators’ compensation and is posted on the UC Office of the President Institutional Research and Academic Planning compensation reporting webpage at <https://www.ucop.edu/institutional-research-academic-planning/content-analysis/employees/compensation-reporting.html> as a measure of the University’s commitment to public access, accountability, and transparency. The Addendum provides a description of compensation beyond the base salary, as well as information on new appointments and salary increases.

The APP Report reflects compensation paid during calendar year 2019 to all deans and certain full-time faculty administrators governed under the Academic Personnel Program (including those serving in acting or interim roles and those who served for less than a full year) who were in one of the covered titles as of December 31, 2019. The APP Report is prepared annually by the Academic Personnel and Programs unit of the Academic Affairs Division at the Office of the President in conjunction with the campus Academic Personnel Offices and has been issued each year since 2010.

The collection of information pertaining to these deans and faculty administrators is governed by the following:

- Regents’ Standing Order 101.2 Compensation
- Regents’ Action Items
 - Deans’ Salary Structure Proposal: Transfer of Deans from the Senior Management Group Program to Academic Titles (approved by The Regents 11/19/2009, effective 1/1/2010)
 - Transfer of Faculty Administrator Titles Other than Deans from the Senior Management Group Program to Academic Personnel (approved by The Regents 5/20/2010, effective 7/1/2010)
- Academic Personnel Manual Section 240-18, Deans, Salary (effective 1/1/2010)
- Academic Personnel Manual Section 246-18, Faculty Administrators (100% Time), Salary (effective 7/1/2010)

REPORT FORMAT AND CONTENT

The original content and layout of an annual report on compensation was recommended by the Task Force on UC Compensation, Accountability, and Transparency (Task Force) and approved by The Regents in January 2007. The group of University employees covered by the report included deans and certain other faculty administrators. Recognizing that deans and faculty administrators who serve as the University’s senior academic leaders are more appropriately placed under the rubric of Academic Personnel Program governance, the Regents approved the transfer of these deans and faculty administrators out of the Senior Management Group (“SMG”) Personnel Program and into the Academic Personnel Program effective in 2010. It was agreed that an annual report on compensation actions similar to that for the SMG would be provided to The Regents for this group of deans and faculty administrator positions. In addition, any new dean positions would be added to

the report. This resulted in the APP Report.

In November 2011, The Regents authorized the President to modify the definitions and parameters of the annual report on executive compensation to provide increased transparency and accountability, consistent with the recommendations of the Task Force and associated Regents' policy. And in February 2012, President Yudof approved modifying reporting to reflect actual compensation received rather than a mixture of actual and annualized data to provide a more accurate reflection of each appointee's actual compensation for the reporting period.

The APP Report replicates the similar report on members of the SMG ("SMG Report") in format and content to the extent possible. The following columns in the SMG format are omitted because the population reported in the APP Report are ineligible for these benefits: *Actual Bonuses/Incentives Received*; *Actual Auto Allowance Paid*; *University Provided Housing*; *Severance Benefits*; *Senior Management Supplemental Benefit*; and *Additional Post-Retirement Benefits*. The *Actual Amount Received from the Health Sciences Compensation Plan* column appearing in the SMG Report has been replaced in the APP Report by the *Other Negotiated Compensation Received* column that includes negotiated compensation for Health Sciences Compensation Plan ("HSCP") participants paid as "Y" and "Z" components (per policy, APM - 670-14-a and APM - 670-18-c).

The following list provides a description of the data in each column of the APP Report:

Annualized Base Salary as of 12/31/19: This column reports the annualized base salary rate and includes any changes to the base salary as of December 31, 2019 such as market, equity, merit, annual academic salary program, and other salary adjustments.

Actual Base Salary Received: This column reports the actual base salary paid out to the employee while serving in one of the applicable titles during the 2019 calendar year.

Actual Stipend Received: This column reports the actual total stipend paid out to the employee while serving in one of the applicable titles during the 2019 calendar year.

Other Negotiated Compensation Received: This column reports additional compensation paid out to the employee while serving in one of the applicable titles during the 2019 calendar year, if the employee was a participant in the HCSP. This type of compensation is not covered compensation for the purposes of the University of California Retirement Plan (UCRP), per APM - 670- 14-a and APM - 670-18-c; this additional compensation is based on pre-established individual and organizational goals. This column may also include negotiated compensation such as discretionary funds for professional development.

Other Cash Compensation/Payments Received: This column reports the total of any other compensation or payments that the employee received from the University for the 2019 calendar year while serving in one of the applicable titles – such as summer teaching, summer research, summer differential, or miscellaneous honoraria and awards.

Actual Housing/Relocation/Recruitment Paid: This column reports the actual recruitment, relocation, or temporary housing allowance paid out to the employee during calendar year 2019 while serving in one of the applicable titles.

Total Cash Compensation: This column reports the sum of the actual amounts paid out to the employee while serving in one of the applicable titles in the following categories for the 2019 calendar year: base salary, stipend, other negotiated and cash compensation, and relocation

allowances. Total cash compensation is not intended to reflect W-2 earnings.

Senior Management Benefits: This column reports the approved continuation of certain SMG-related benefits such as Senior Manager Life Insurance and Executive Salary Continuation for Disability for individuals who were enrolled in these programs prior to their transfer to the Academic Personnel Program in 2010. These employees were permitted to retain these benefits until the end of their faculty administrator appointment.

Deans and certain full-time faculty administrators appointed after the formal transfer period are ineligible for these SMG benefits. A “Yes” indicates that the individual received SMG benefits in 2019 due to having been appointed prior to the formal transfer period.

Reimbursed Moving Costs: This column reports the total amount the employee received for calendar year 2019 in connection with moving such as reimbursement for house hunting trip expenses, travel expenses, and payments to outside vendors for the shipment of household goods, storage fees, or other moving expenses consistent with policy.

University Provided Home Mortgage: This column reports the original loan amount activated in 2019 if an employee participated in the University’s Employee Housing Assistance Program while serving in one of the applicable titles.

DATA COLLECTION AND REVIEW PROCESS

The APP Report was produced from data queried by UCOP Academic Personnel and Programs from the UC Data Warehouse and verified by each campus Academic Personnel Office, using a variety of sources such as payroll, accounts payable, and personnel records. Data quality reviews were conducted both locally and by the Office of the President. The Vice Provost of Academic Personnel and Programs and the Provost and Executive Vice President for Academic Affairs reviewed the contents of the APP Report.

OBSERVATIONS OF COMPENSATION FOR 2019

The APP Report for calendar year 2019 covers 122 individual deans and certain other full-time faculty administrators in the Academic Personnel Program who were in one of the applicable titles as of December 31, 2019, counting incumbents serving in acting or interim roles and individuals who started mid-year. In accordance with Academic Personnel Policy, Academic Personnel Manual (“APM”) Section 240 (Deans) and Section 246 (Faculty Administrators [100% Time]), the chancellor holds authority to recruit and retain a group of high quality academic deans and faculty administrators. Given the academic focus of this group, the chancellor employs compensation components that are slightly different from those available to recruit SMG administrators. Although the base salary is always the major component of cash compensation, other forms of pay provide the chancellor with the ability to respond flexibly and quickly to the market.

Components such as faculty recruitment allowances and Mortgage Origination Program (“MOP”) loans are designed to compensate for the high cost of living and home ownership in California. For deans and faculty administrators in health sciences schools, the Health Sciences Compensation Plan (“HSCP”; APM - 670) offers a competitive salary structure indispensable to recruitment and retention efforts. Comparable with plans at other competitor universities, the HSCP builds compensation components based on the dean or faculty administrator’s faculty rank and step, sub-disciplinary specialty, research support, clinical activity, and administrative responsibilities. HSCP participants may receive a negotiated amount of additional compensation to reflect productivity and incentive awards. Per policy (APM - 670), this additional negotiated compensation must be derived from non-

state funds and is not considered covered compensation for purposes of UCRP.

Stipends are another component used to compensate a dean or faculty administrator for a temporary increase in responsibilities due to additional administrative work. Chancellors most often use stipends when appointing faculty to serve in acting roles when an incumbent is on leave, or in interim roles during the transition period after a dean or faculty administrator has retired or stepped down and a replacement has yet to begin.

Deans and certain full-time faculty administrators continue to retain their faculty titles after appointment, and many receive additional compensation by forfeiting vacation time to focus on sponsored research or teaching. This practice is a clear reminder that all of the academic administrators in this reporting group are expected to remain active in their disciplines to ensure that their administrative work is closely connected to the research and education missions of the University.

During the 2019 calendar year, eligibility for a 3.0% salary increase for deans and certain full-time faculty administrators based on satisfactory administrative performance was approved by the President, effective July 1, 2019, and approved by The Regents as a part of the 2019-2020 budget.

Exceptions to academic personnel policy were granted for faculty recruitment allowances that exceeded the maximum amount of \$70,800 effective 7/1/18 or \$73,600 effective 7/1/19. Effective August 9, 2017, Chancellors were authorized to approve exceptional allowances up to \$150,000; the Provost and Executive Vice President reserved the right to approve exceptional allowances above \$150,000.

Additional analysis of compensation for calendar year 2019 includes the following:

Covered Population: The positions covered in the APP Report include 122 individuals, including 74 men and 48 women. There are 21 under-represented minorities (African-American, Latino(a)/Chicano(a)/Hispanic, and American Indian). For some positions, there was more than one incumbent during calendar year 2019; however, this report only includes those individuals who held the position as of December 31, 2019. There were 11 acting or interim appointments and 14 new career appointments reported in this period.

Adjustments to Base Salary: Of the 122 individuals on this report, 104 received a merit or equity adjustment or an increase for satisfactory performance per the academic salary plan effective July 1, 2019. There are 18 individuals who did not receive an increase to their salary due to the campus implementation of the salary plan or being newly hired into their position.

Stipends: Stipends were awarded to 9 individuals and ranged from \$5,750 to \$53,131 (actual, not annualized amounts).

Other Negotiated Compensation: Seven individuals received a negotiated compensation component as members of the Health Sciences Compensation Plan (APM - 670).

Additional Summer Compensation: Thirty-one individuals received additional summer compensation for teaching or research. Vacation leave equivalent to the number of days worked, for which summer compensation was received, were deducted for individuals in fiscal-year appointments who accrue vacation leave. Vacation leave deduction may vary based on the length of a summer session course or the number of working days within that period.

Additional Compensation for Recruitment: Three Mortgage Origination Program (MOP) loans were activated. Three individuals received funds for reimbursable moving costs (in full or in part). Thirteen recruitment allowances, ranging from \$25,000 to \$150,000, were paid (in full or in part) of which the full allowance amount of four required exceptions to the maximum allowance allowed under policy.

SMG Benefits: Four of the 122 individuals were in the group continued to receive SMG benefits due to having been appointed prior to the transfer of their position to the Academic Personnel Program.

Total Compensation: The total compensation (including for those in their position for only part of the year) ranged from \$47,620 to \$968,824. There were four individuals who received over \$500,000; 26 received between \$400,001 and \$500,000; 40 received between \$300,001 and \$400,000; 33 received between \$200,001 and \$300,000; and 19 received \$200,000 or less.
