Is amended to read:

- 4.2.5 Leadership undertakes continuous operational improvement and achieves progress on management efficiency initiatives. The efficiencies should streamline, and where appropriate automate processes, standardize and institutionalize practices, and improve the management of resources.

As reads:

FY 2006 Target: Significant progress in implementing management efficiency efforts should be demonstrated. Progress may include (1) reductions in staffing levels, (2) consolidation of functions, (3) elimination of functions available by other means and (4) improvement to initiatives A-C above. Demonstration of three of the four targets above constitutes significant progress.

Is amended to read:

FY 2006 Target: Efficiency improvement targets for 2006 include three areas: (A) supply chain management, (B) information technology, and (C) facilities condition assessment. Significant progress in defining, developing, implementing, and measuring savings in these target areas should be demonstrated.

- b. Attached to this modification is a conformed copy of Appendix B implementing the above changes.
- c. All other terms and conditions remain unchanged.
