

UC Office of the President 2026 Ergonomics Equipment List

Matching Funds Program

UCOP Ergo Matching Funds are only permitted to be used towards products from this catalog and/or at the discretion or specialized recommendations from a UCOP ergonomist. **UCOP does NOT purchase desks for home offices. Desks are a personal expense.** The ergonomics program is not involved with assisting with acquiring IT equipment (laptops, monitors, webcams, or phone headsets). Employees wanting these items should seek approval through their supervisor or contact UCOP IT regarding acquisition and questions about compatibility.

Qualifications for Matching Funds

Employees must first take the online Risk and Safety Services [Computer Ergonomics](#) training and risk assessment to be eligible. You may then self-select products from this catalog and send your selection(s) to ergonomics@ucop.edu if you are able to identify your needs. **Your request will be reviewed and you will be contacted with information, including the matching funds COA,** needed for your department to place your order. For assistance beyond the online self-assessment prior to making an selection, please send a request to ergonomics@ucop.edu.

How to Use This List

This equipment list provides information about furniture and accessories that meet UCOP requirements for ergonomics, quality, and sustainability. Equipment is available from the vendors listed next to each item. Departments are responsible for ordering equipment and coordinating directly with the listed vendors for any returns, service, or warranty issues. Prices are subject to change.

Task Chairs

* Approximate price includes anticipated freight, tax, and delivery/installation fees (subject to change). Installation typically ready ~4-8 weeks after order is finalized.

Product & MFG/Model #	Description	Image	Vendor, Item # & ~Price *
Sitmatic Super Alpha UC-ALP33SX BL 7L CAT4	- The Super Alpha meets all UC selection criteria. Standard features include built in lumbar support with 6" of height adjustment, independent back angle adjustment, a sliding seat, and side actuated recline tension adjustment. All Sitmatic chairs are highly customizable and have multiple options for seat and backrest size as well as multiple armrest options. All of which has 2" of width adjustment on either side. Designed to fit the masses (~ 5'5" – 6'1"). - Dimensions: Seat – 19" Wx18" D; Back – 21"Hx18"W; Seat Height – 16.75"-21.25" - Fabric: CAT 4 4001 Black - MutiFunction Control: Seat angle tilt, seat height, seat depth, and back angle adjustments. - Complete Back Support: Full backrest supports the back with thoracic and sacral cradles merged into a lumbar crest and Intuitive QuickBack adjustment lever allows for 6" backrest height range in 27 increments. - PressureCast Seat Foam: PressureCast foam cushions are used rather than cut foam to ensure seating comfort. Upholstery contours are better retained during the life of the chair. - Fully Adjustable Armrests: Armrest frames provide height and width adjustments; armrest pads provide lockable, button-actuated angle, depth, and width adjustability. - Multi-surface Casters: Usable on both carpet and hard flooring. - Warranty: Lifetime structural with 10-year limited mechanism & component warranty		Cube Solutions UC-ALP33SX BL 7L CAT4 \$923
Sitmatic Petite Model 163 SX SS VS AL +7U / 21201	- Alpha Medium high back chair (small seat and small back) - Same adjustments as Sitmatic Super Beta		Cube Solutions #163 SX SS VS AL +7U / 21201 \$879

Steelcase Leap Leap V2	- Designed to fit a wide range of users from petite to above average - Fabric: Buzz 2 - Black (5F17) is the standard for the Leap Value package (most affordable) - Dimensions: Seat – 19.25" Wx15.75-18.75"D; Back – 25"Hx18"W; Height – 15.5"-20.5" Overall Height – 38.5"-43.5"; Overall Width – 27" - Seat Depth Adjustment: Lift lever and hold, slide seat forward or back and release lever to lock to allow adequate space between the back of your knees and the seat edge. - LiveBack® Backrest: changes shape to mimic the movement of the spine - Backrest Adjustment Features: • <i>Upper Back Force:</i> Turn the knob forward to increase tension, turn the knob backward to decrease tension • <i>Lower Back Firmness:</i> Turn the knob forward to increase firmness, turn the knob backward to decrease firmness. • <i>Back Stop:</i> Set recline angle by rotating the paddle to any of the five positions. When the paddle is horizontal, the back will allow you to fully recline. - 4-Way Adjustable Arms: height, width, depth & pivot adjustments to support the shoulders - Natural Glide System™: feature enables you to comfortably recline while keeping your body aligned with your work so as not to strain your eyes, neck, or arms - Casters: Indicate if flooring is carpet or hard floor.		One Workplace Steelcase Leap V2 \$1073 (Pricing estimate based on Leap Value package)
Steelcase Leap Petite w/Reduced Arm Width Leap V2	462 Leap Series Work Chair Standard Upholstery SPECIAL, *with the minimum arm width reduced to approx. 14.25" when the arms are in the forward facing straight position, parallel to each other		One Workplace Steelcase Leap Petite w/Reduced Arm Width Leap V2 \$1173

Logitech M575 Wireless Trackball MFG# 910-005869	- Meet ERGO M575 - a wireless trackball with incredibly easy thumb control. This is the newest addition to the Logitech Ergo series that promotes increased comfort, lower muscle strain, and improved, more natural posture. - Forget about sliding around a mouse or moving your arm to move the cursor. The ergonomic sculpted shape of ERGO M575 minimizes movement and maximizes comfort while keeping your hand and arm relaxed. - With two ways to connect - via Bluetooth Low Energy or the USB receiver - the trackball provides you a powerful, stable signal with a 33 ft (10 m) range. - No need to move your trackball, so it's perfect for tight workspaces and busy desks. A single AA battery lasts up to 24 months with Unifying USB receiver and up to 20 months with Bluetooth Low Energy.		CDW #6388981 \$41.99 Office Depot #5765812 \$41.76
Contour Unimouse - Vertical (R Hand) Wireless MFG# UNIMOUSE-WL	- Unimouse is designed with your comfort in focus. The ergonomic shape reduces the strain on your hands and wrists, allowing you to work without discomfort. With the patented articulated hinge, you can adjust the angle of the Unimouse to any position from 35 to 70 degrees. - The friction-based locking system is easy to use and stable in any position. It features 6 programmable buttons that can be set to virtually all functions, meeting your unique needs. - The adjustable thumb support can be adjusted in all directions, in/out, up/down, forward/backward, tilt and rotation. This reduces grip pain and pressure on the base joint of the thumb, thereby reducing strain injuries, and you can hold the mouse relaxed - no matter the size or shape of your hand.		CDW #7968894 \$87.97
