** In order to ensure the effectiveness of affirmative action/equal employment opportunity programs, the Office of Federal Contract Compliance Programs (OFCCP) requires that federal contractors identify the race/ethnicity designation for all their employees and will impose non-compliance violations on contractors with gaps in data that cannot be reasonably justified. Therefore, in order to achieve the highest levels of compliance possible, all academic and staff employees must have the opportunity to complete all sections of Form U5605 (Demographic Data Transmittal form) at the time of hire. The Office of the President and Principal Officers of the Regents are committed to support the nondiscrimination and affirmative action policies, goals, and procedures as stated in the University of California / Office of the President Affirmative Action Plan.
