1 The San Francisco campus does not enroll undergraduates.

2 For undergraduate students, charges for Tuition, the Student Services Fee, and Nonresident Supplemental Tuition are assessed on a cohort basis – all three charges for each entering cohort are expected to be higher than the amounts charged to prior cohorts, but remain flat for the duration of a student's enrollment, up to six years. For example, charges assessed to cohorts that first enrolled in AY 2021-22 or earlier are displayed under "≤2021-22" and charges assessed to the cohort that first enrolled in AY 2022-23 are displayed under "2022-23."

3 For graduate students, charges for Tuition, the Student Services, Fee, and Nonresident Supplemental Tuition continue to be assessed on a uniform basis – the same rate applies to both new and continuing students, regardless of a student's entering cohort.

Please see campus websites for further details on charges, including course materials and services fees and miscellaneous fees (excluded from total charges calculation), and for actual charges for students in graduate professional degree programs.
