September 9, 2026

The Honorable John Laird
Chair, Joint Legislative Budget Committee
1020 N Street, Room 502
Sacramento, California 95814

The Honorable Jesse Gabriel
Chair, Assembly Budget Committee
State Capitol, Room 6026
Sacramento, California 95814

Mr. Joe Stephenshaw
Director of Finance
State Capitol, Room 1145
Sacramento, California 95814

Dear Senator Laird, Assembly Member Gabriel, and Director Stephenshaw:

This letter conveys the certifications for all University of California locations with buildings subject to California Education Code section 92493 (SB85, Chapter 23, Sec. 17, Statutes of 2017) et seq., effective from July 1, 2025, through June 30, 2026. Certifications for prior fiscal years were previously submitted. In this certification period, there were 482 buildings subject to the code, which is an increase from the 428 buildings reported last year. As was seen in prior submissions, the attached certifications include certain exceptions where work traditionally performed by persons with University of California Service Unit job classifications were performed by contract workers. These exceptions are predominantly of a temporary or one-time nature and typically due to staff unavailability and/or recruiting challenges. In a few cases, the contracts were necessary because they were of a specialized nature.

If you have any questions, Associate Vice President Cain Diaz would be pleased to speak with you. Cain can be reached by telephone at (510) 987-9530, or by email at Cain.Diaz@ucop.edu.

Sincerely,

James B. Milliken
President
