Campus	Program	2021-22 Fees	2022-23 Fees	2023-24 Fees
San Francisco	Master of Science in Health Data Science (MiHDaS) 2-year program that will combine data science with clinical applications, epidemiological and biostatistical sciences. A typical career trajectory for graduates would be a professional whose focus is on the data science methodology while working collaboratively with clinical/health scientists who supply the substantive expertise, i.e., someone whose primary interest is in the approaches, computational methods and analyses as opposed to the underlying clinical science. The annual fee covers the instructional program and campus-specific assessments. It does not include student health insurance premium or Campus Based Fees, (as of 2022-23), which are charged separately.	\$38,205 n/a program set to launch in 2022-23	\$33,624 annual fee New students entering summer 2022	\$33,844 annual fee New students entering summer 2023
San Francisco	Masters Entry Program in Nursing (MEPN) 1-year, full-time, pre-licensure program to prepare students for our Master of Science program in Nursing. Candidates are persons without previous nursing preparation but who hold a bachelor's degree in another field. Students are admitted to MEPN and the Master of Science program. The annual fee covers the instructional program and campus-specific assessments. It does not include student health insurance premium or Campus Based Fees (as of 2022-23), which are charged separately.	\$73,400 annual fee New students entering Summer 2021	\$67,947 annual fee New students entering Summer 2022	N/A – Paused
