Laboratory Fees Research Program (LFRP)
UC-NL Collaborative Research and Training Awards (UC-NL CRT)

The UC Laboratory Fees Research Program sponsors innovative research, fosters new collaborations between UC faculty and national laboratory scientists, and provides unique training opportunities for UC graduate students and postdoctoral fellows.
Collaborative Research and Training Awards

This cycle:

Collaborations of, at minimum, 4 UC campuses and either Los Alamos or Lawrence Livermore National Laboratories

Proposed research must be in one of three areas:

- Biological applications of advanced computing
- High energy density science
- Mesoscale materials science
The UC-NL CRT term and funding level

Awards up to 3 years (start date March 1, 2017)
Maximum annual request is $2 million
Funding per proposal no more than $5 million
National Lab partners must provide cost-sharing
Who Can Apply

• Applicant PI must be a UC campus academic appointee with PI status

• At least 4 collaborating UC campuses and one lab (either LANL or LLNL)

• Additional systemwide collaborating institutions as appropriate: campuses, LBL, or other UC research entities

Questions about eligibility of a PI, Co-I or institution? Please contact us at UCRI@ucop.edu
