3. **Amendment**

No amendment or variation of the terms of this Agreement shall be valid unless made in writing, signed by the Parties and approved as required. No oral understanding or agreement not incorporated in the Agreement is binding on any of the Parties.

4. **Liability**

A. To the extent permitted by law, the [University](#) shall defend, indemnify and hold harmless the [State](#), its officers, employees and agents from and against any and all liability, loss, expense, attorneys' fees, or claims for injury or damages arising out of the performance of this Agreement but only in proportion to and to the extent such liability, loss, expense, attorneys' fees, or claims for injury or damages are caused by or result from the negligent or intentional acts or omissions of the University, its respective officers, agents or employees.

B. To the extent permitted by law, the State shall defend, indemnify and hold harmless the University, its officers, employees and agents from and against any and all liability, loss, expense, attorneys' fees, or claims for injury or damages arising out of the performance of this Agreement but only in proportion to and to the extent such liability, loss, expense, attorneys' fees, or claims for injury or damages are caused by or result from the negligent or intentional acts or omissions of the State, its respective officers, agents or employees. Notwithstanding the definition of "University", the State shall not defend, indemnify or hold harmless the California State University auxiliary organizations.

C. If the University provides funds to any Subawardee, excluding any agency or department of the United States, to accomplish any of the work of this Agreement, the University shall first enter into a written agreement with each Subawardee by which the Subawardee agrees to indemnify and hold harmless the State of California, the State and its officers, agents, and employees from any and all liabilities, losses, claims, demands, damages, or costs, including without limitation litigation costs and attorney's fees, resulting from or arising out of the Subawardee's performance under its agreement with the University, but only in proportion to and to the extent such liability, loss, expense, attorneys' fees, or claims for injury or damages are caused by or result from the negligent or intentional acts or omissions of the Subawardees, its respective officers, agents or employees. The foregoing does not limit any breach of contract action that the State may have against the University.

5. **Conflict of Interest**

A. Conflict of Interest

- 1) State intends to avoid any real or apparent conflict of interest on the part of the University, Subawardees, or employees, officers and directors of the University or Subawardee. Thus, State reserves the right to determine, in its reasonable discretion, whether any information, assertion or claim received from any source indicates the existence of a real or apparent conflict of interest; and, if a conflict is found to exist, to require the University to submit additional information or a plan for resolving the conflict, subject to State review and prior approval.

- 2) Conflicts of interest include, but are not limited to:
 - (a) An instance where the University or any of its Subawardees, or any employee, officer, or director of the University or any Subawardee receiving information in connection with the performance of services hereunder has an interest, financial or otherwise, whereby the use or disclosure of information obtained while performing such services would result in private or personal benefit.
 - (b) An instance where, in connection with the performance of services hereunder, the University's or any Subawardee's employees, officers, or directors use their positions for purposes that are, or give the appearance of being, motivated by a desire for private gain for themselves or others, such as those with whom they have family, business or other ties.

B. Disclosure of Current and Pending Support

The University will be required to submit a completed Current and Pending Support form (Exhibit A6) to the State with its Proposal. Upon request from the State, University will submit an updated Current and Pending Support form within thirty (30) calendar days of the request from the State.

C. Evaluation

If either Party becomes aware of a known or suspected conflict of interest pursuant to paragraphs A or B above, the knowledgeable Party shall inform the other Party, and the University will be given an opportunity to submit additional information or to resolve the conflict. Within twenty (20) calendar days from the date of notification of the conflict, the University will provide additional information sufficient to fully evaluate the nature and effects of the potential conflict. If a conflict of interest is determined to exist by the State in its reasonable discretion and cannot be resolved to the satisfaction of the State, the conflict will be grounds for terminating the Agreement for good cause pursuant to Section 7 of this Agreement. The State may, at its discretion upon receipt of a written request from the University, authorize an extension of the timeline indicated herein.

6. Dispute Resolution

- A. The State's Contract/Program Manager and the University's Principal Investigator shall attempt to informally resolve any disputes under this agreement.

- D. If both Parties cannot agree upon a resolution after following the processes described in this Agreement, both Parties retain the right to bring a lawsuit or seek any other legal or equitable remedy either Party may have.

Pending the final resolution of any dispute arising under this Agreement, University agrees to diligently proceed with the performance of this Agreement, including the delivery of goods or the provision of services or research in accordance with the terms of this Agreement, unless the dispute involves the

University's continued performance under this Agreement. The University's failure to diligently proceed in accordance with the State's instructions shall be considered a material breach of this Agreement. State agrees to continue payment for costs not under dispute.

- E. If payment for services performed by University is part of the dispute, to the extent it is legally able to do so, the State will ensure that funds remain available for this purpose and do not revert prior to the conclusion of the dispute resolution process.
- F. This dispute resolution process does not preclude either Party from exercising its right to terminate this Agreement pursuant to Section 7.

7. Termination

Upon receipt of the State's notice of termination, the University shall take reasonable efforts to limit or terminate all financial commitments and will not incur new obligations under this Agreement. Any Deliverable as described in this Agreement, that is fully or partially completed up to the termination date (work product), will be provided to the State.

This payment shall be for all costs incurred in accordance with this Agreement, and shall include labor and materials purchased or utilized (including all Non-cancellable Obligations) up to the termination date, and pro rata share of indirect costs as specified in the budget (Exhibit B).
- F. If either Party notifies the other of a material breach, the breaching Party will have fifteen (15) calendar days to respond with a remedy to correct the breach. The receiving Party has fifteen (15) calendar days to accept or reject the proposed remedy or offer an alternative remedy. Upon approval of the proposed remedy, the breaching Party has thirty (30) calendar days to implement the cure. In the event the breaching Party does not cure the breach within the thirty-day period, the non-breaching Party may terminate for cause immediately upon written notice.
