

## University of California / Marsh Insurance Information Line

866-598-1879 or [UCInsuranceHelpDesk@marsh.com](mailto:UCInsuranceHelpDesk@marsh.com)

Office of the President, Office of Risk Services, is proud to partner with the Marsh Insurance Information Line which is ready to assist you with all those questions about certificates of insurance and insurance requirements for independent contractors, consultants, vendors, other service providers, commercial tenants or other non-university entities. Services should be coordinated through local Risk Management offices who will contact the Marsh Service Team.

### Where Marsh Will Add Value to UC

- Explain and clarify general insurance coverage terms and conditions
- Assist vendors/contractors to obtain UC required insurance coverage
- Recommend coverage and limits for contracts and high risk exposures
- Provide vendors/contractors and student-related activities with on-line applications
- Review certificates of insurance from vendors/contractors and offer suggestions
- All of the above on both a domestic and international basis

### Referral to UCOP

- Recommend the modification of UC required coverage or limits
- Accepting or denying contracts to vendors/contractors

### Marsh Insurance Resources Team

Student Event Registration will advise student sponsors of events of the appropriate insurance coverage and provide assistance. Students and student organizations sponsoring events should contact them directly.

For Vendor/Contractor, Student and Event information and forms, please select the appropriate campus site from the list below.

### Travel accident

Alex Zeron – [Alex.Zeron@mercer.com](mailto:Alex.Zeron@mercer.com) – 212-345-8910

Alex is responsible for all travel accident programs. He can be contacted directly with questions regarding these programs.

### Campus Risk Managers' Resources Team – [UCInsuranceHelpDesk@marsh.com](mailto:UCInsuranceHelpDesk@marsh.com) – 866-598-1879

- Initial contact person: Linda M. Walker – Linda will be your main contact person and program manager. Direct inquiries to her. If needed, Linda will obtain required information from Marsh's specialty resources and respond to the UC inquiry originator.
- Molly Collins – Molly will act as initial contact person when Linda is unavailable. Contact Molly for copies of written material or changes in UC contact information.
- Jeannie Courteau – Jeannie will administer the program and assist Linda and Molly when needed.
