Office of the President, Office of Risk Services, is proud to partner with the Marsh Insurance Information Line which is ready to assist you with all those questions about certificates of insurance and insurance requirements for independent contractors, consultants, vendors, other service providers, commercial tenants or other non-university entities. Services should be coordinated through local Risk Management offices who will contact the Marsh Service Team.

**Where Marsh Will Add Value To UC!**

- Explain and clarify general insurance coverage terms and conditions
- Assist vendors/contractors to obtain UC required insurance coverage
- Recommend coverage and limits for contracts and high risk exposures
- Provide vendors/contractors and student-related activities with on-line applications
- Review certificates of insurance from vendors/contractors and offer suggestions
- All of the above on both a domestic and international basis

**Referral to UCOP**

- Recommend the modification of UC required coverage or limits
- Accepting or denying contracts to vendors/contractors.
