UNIVERSITY OF CALIFORNIA

PROOF OF SELF-INSURANCE COVERAGE

The Regents of the University of California are often requested by outside parties to provide evidence of the University's self-insurance coverage in conjunction with agreements and contracts negotiated by its employees on UC campuses and medical centers. Examples of situations where the University may be required to provide evidence of insurance include:

- Using an off-campus location to host an event, ceremony, athletic event, theatre production, practice space, job fair, educational outreach event, etc.
- Leasing or renting equipment, motor vehicle(s), or real estate
- Research grant sub-awards
- Affiliation (non-healthcare/medical related) and Professional Services Agreements

The University of California self-funds its liability exposures, so does not issue individual certificates of insurance. The UC Office of Risk Services has developed a Certificate of Self-Insurance Coverage document (COC) to illustrate the self-funded retention levels maintained for each liability program. The COC is available on-line for use by entities conducting business with the university as evidence of the self-funded retention levels, coverage terms, and limits routinely requested. The self-insurance limits accepted in each specific written agreement or contract shall be the limits that apply should a loss arise, regardless of the limits provided in the on-line Certificate of Self-Insurance Coverage document.

The UC COC Site is solely for the use and benefit of the vendors and organizations which contract with the University of California and not for resale or other transfer to or use by or for the benefit of any other person or entity. You may print copies for use within your organization, provided that you do not modify the COC in any way, nor distribute any copies outside your organization. You may not use any of the University of California's names or marks in any manner that creates the impression such names or marks belong to or are associated with you or imply any endorsement by the University of California, and you acknowledge that you have no ownership rights in and to any of these names or marks. You will not use the Site, the information contained therein or any of the University's names or marks in unsolicited mailings or spam material. You may not link directly to the COC ("deep link") or bring up or present the COC or other content of this site within another web site ("frame").
