Subject: 2017-18 Property Program Premium Schedule

Dear Colleagues,

The Property actuarial report is now complete for FY 2017-18. If you would like to review the report in its entirety, please contact Shaudreya Waterman (Shaudreya.Waterman@ucop.edu or 510.987.9827) and she will send it to you.

Please find the attached FY 2017-18 Premium Schedule. The Property Program added a new coverage for earthquake related events. This new coverage is a parametric product intended to provide the University with resources that will allow UC to resume operations after such an event.

The Be Smart About Safety (BSAS) program continues to be an integral component of our loss prevention and mitigation efforts. We look forward to receiving your BSAS applications for all lines of coverage and working with you to further reduce the cost of risk and create a safe environment for our students, faculty, staff, and the general public (<http://www.ucop.edu/risk-services/loss-prevention-control/be-smart-about-safety-program/index.html>).

Individual location reports will be sent to your risk manager under separate cover. If you have any questions, please do not hesitate to call me or Gary Leonard (510.987.9824), or Karen Vecchi (510.987.9826) for risk financing.

Sincerely,
