Re: AB 1088 (O'Donnell), as amended on March 25, 2015
Position: Support

Dear Assembly Member O'Donnell:

The University of California is pleased to support your bill, AB 1088, which states the intent of the Legislature to place a general obligation bond act for education facilities on the ballot in an unspecified statewide general election.

The University estimates a need of \$450 million per year for our general campuses and \$100 million per year for our medical facilities in general obligation bonds over the next four years. Given the scale of UC's needs, as well as those of the K-12 system and our public higher education partners, we are supportive of efforts to provide additional funding for capital projects through all appropriate means.

We thank you for introducing AB 1088, and we look forward to working with you as the bill moves forward. Should you have questions about the University's position on this bill, please do not hesitate to contact me at (916) 445-9924.

Sincerely,

A handwritten signature in cursive script that reads "Sandra Fried".
