

INDICATES NEW COURSES OR CHANGES FOR 12-13

Course	Title	IGETC Semester Area	Semester Units	UC Area
This agreement lists courses transferable for unit credit at all UC campuses. It is based on information from the 2012-13 catalog and is valid for the current academic year listed at the top of this agreement. Courses marked with "UC-" will satisfy the five areas of the 1998 transfer course requirements. (E = English, M = Math, H = Humanities, B = Behavioral and Social Sciences, S = Biological and Physical Sciences)				

IMPORTANT INFORMATION ABOUT UC'S TRANSFERABLE COURSE AGREEMENTS**Variable Topics Courses**

These courses are also called "Independent Studies", "Special Studies", "Special Topics", "Field Work", etc.. Credit for variable topics courses is given only after a review of the scope and content of the course by the enrolling UC campus. This usually occurs after transfer and may require recommendations from faculty. Information about internships may also be presented for review, but credit for internships rarely transfers to UC. UC does not grant credit for variable topics courses in Journalism, Photography, Health, Business Administration, Architecture, Administration of Justice (Criminology) or Library Departments because of credit restrictions in these areas.

Honors Course Credit Limitation

Duplicate credit will not be awarded for both the honors and regular versions of a course. Credit will only be awarded to the first course completed with a grade of C or better.

Course Repeatability

An "ea" after the unit value of a course on this agreement is meant to indicate that the course may be repeated for credit under CCC campus policies. Since campus policies on repeatability vary, the "ea" indicator does not guarantee that UC will grant credit for every course that appears multiple times on a student's transcript.
