

Use of Proposition 56 Funding: 2017-2018 Appropriation

In 2017-2018, UC received \$50 million from Proposition 56 funds to offset a \$50 million reduction in State General Funds that the University had previously received. The University allocated these funds across five campuses to support graduate medical education programs, which train new primary care and emergency physicians each year.

Proposition 56 Resources	Appropriated
Funds from Prop 56 GME	\$50,000,000
Carryforward	-
Total Resources Available	\$50,000,000

Proposition 56 Expenses	Allocated/Spent
