Introduction

In an effort to better understand the experience of faculty members at UC Santa Cruz and respond to faculty concerns, the campus needs your help. As Vice Provost for Academic Affairs and Campus Diversity Officer for Faculty, I am asking all ladder-rank faculty who had a retention action or left UCSC to complete this survey. Your participation and feedback is valuable and important in helping me, along with the Academic Personnel Office and the Office for Diversity, Equity, and Inclusion, to identify ways of making the campus community a more welcoming place for all.

UCSC values your privacy and all responses to this survey will be kept confidential. The information you provide will solely be used for University business. We will not disclose personal information collected about you without your consent, except for certain explicit circumstances in which disclosure is required by law. You have the right to review your own data files.

There are approximately 40 questions that ask for your impression of your department, the campus, and the greater Santa Cruz community. We also want to hear about your experience with the retention process. Most questions are multiple choice with a narrative option. Once you exit the survey, you will not be able to re-enter your survey but will need to begin over again.

This is a blind survey and data will not be linked to names. However, due to the small number of faculty separations and retentions each year, you may be identifiable based on this information. This survey is voluntary. You may skip any question you do not wish to answer or withdraw from the survey at any time. Please feel free to contact me if you have any questions or concerns.

Thank you.

Sincerely,

Herbie Lee Vice Provost for Academic Affairs/Campus Diversity Officer for Faculty Professor, Applied Mathematics and Statistics Email: vpaa@ucsc.edu

Email: vpaa@ucsc.edu Voice: 831-459-2351
